## OVERVIEW

EBA Ernest Bland Associates, P.C., established in 1988, is a small business architectural firm located in Silver Spring MD. We have a team of design professionals with over 500 years of combined experience with the requisite credentials and expertise to deliver exceptional service to a broad range of clients.

EBA has a proven track record of performing comprehensive services including master planning, programming, conceptual design, planning, interior design, construction documentation, construction administration, facility conditions assessments, and site selection and analysis for private and public sector facilities throughout the United States.

## HEALTHCARE EXPERIENCE

EBA's breadth of experience in healthcare facilities design includes programming, comprehensive medical campus master planning, freestanding clinic planning and design, and planning for additions and hospital renovations. Having completed projects for virtually all medical facility types and departments including inpatient nursing units, radiology, emergency, surgery, sterile processing, clinical laboratories, outpatient clinics, behavioral health and residential care, EBA team members are well-versed in the complexities of these facilities that require the detailed coordination of systems and technology. We are committed to designing facilities with thoughtful solutions that respond to healthcare's dynamic requirements while meeting the needs of patients, families, and providers.
