OVERVIEW

EBA Ernest Bland Associates, P.C., established in 1988, is a small business architectural firm located in Silver Spring MD. We have a team of design professionals with over 500 years of combined experience with the requisite credentials and expertise to deliver exceptional service to a broad range of clients.

EBA has a proven track record of performing comprehensive services including master planning, programming, conceptual design, planning, interior design, construction documentation, construction administration, facility conditions assessments, and site selection and analysis for private and public sector facilities throughout the United States.

HOUSING EXPERIENCE

EBA maintains a client and user-focused approach to plan and design housing projects. Our commitment to quality, community driven design has yielded work with organizations across the United States ranging from non-profits to private developers to major corporations. In the D.C. Metro area, we have worked with MANNA, Inc., Development Corporation of Columbia Heights, Horning Brothers, and People's Involvement Corporation. We are also skilled with public approval processes, and have presented major development projects to public entities including, the National Capitol Planning Commission, National Capital Park and Planning Commission, D.C. City Council, Local Historic Organizations, D.C. Historic Preservation Review Board, and the Montgomery County Zoning Board.

Our experience in multi-family housing includes urban and suburban environments scaled to meet the needs of the client.
